

Safe Studio Standards to Keep Everyone Safe.

More space in class

Mats in the studio are spaced to allow for social distancing. There will be floor markings and a system to manage the flow of students. Only marked spots on the floor may be used.

Check in with yourself

Stay home if you're showing any symptoms of Covid-19. Review and accept updated T&Cs, taking full accountability for not coming to the studio if you are experiencing any symptoms.

Spotless

Studio space will be cleaned between classes using disinfectant and fogger spray. Hand sanitising stations throughout the studio.

Mandatory class booking

You **MUST** book your class online at least 30 minutes in advance. No walk-ins allowed. If you book and cannot make it, please cancel your booking at least twenty four hours in advance.

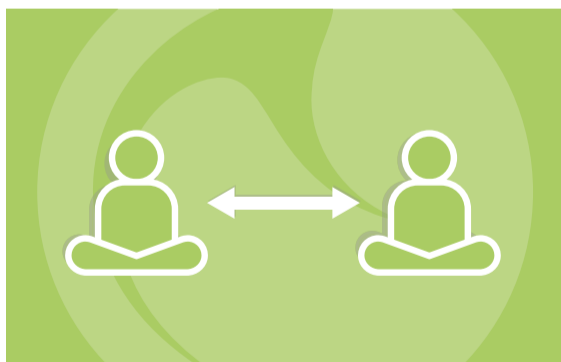

Come ready to practice

Changing rooms and toilets are open. Showers are closed. Come dressed to practice with your **OWN** mat, blocks and straps. Studio doors open 20 mins before a scheduled class and 15 mins after the class. Quick in, quick out.

More clean air

Fan rates increased to exceed recommended flow rate. Windows and doors will be opened between classes to fully change the air in the space.

More space everywhere

Observe social distancing throughout the studio. Floor markings and posters around the studio are there to help.

Face masks

Face masks required before and after practice. You can remove your mask at the beginning of a class. Lumi team members will be wearing masks except when teaching.

Contactless

Card payments only. No cash. This isn't just about the money. . .there will be no hands-on assisting during classes. Contactless classes.
